## Product Description

### 8 seater green Electric Sightseeing Bus Mini Tour Bus China New Electric Bus for Sale

#### Why choose Langking electric vehicles for Tourist Cars?

- Ecological: they are 100% electric with zero emissions
- Silent: they can operate at any hour of the day or night
- Always operational: for continuous work shifts
- Flexible: hundreds of options available

Electric cars offer advantages of both an economic and technical nature. Running costs are lower as, unlike combustion vehicles, there aren't any parts subject to wear, and the motor works in a cleaner, more simple manner than traditional engines.

But there are also other benefits, such as the possibility to move freely even in areas with traffic limitations because these vehicles are non-polluting. This is a huge advantage nowadays, given the ever increasing traffic bans. Consumption is very low,
